Subject: Inquiry About the Frontend Developer Position

Dear Mr. Steven Smith,

I hope you are doing well.

I recently came across the Frontend Developer job posting at TechNova Solutions and am very interested in the opportunity. The role aligns well with my skills and career goals.

Before applying, I would like to ask two questions. First, if I am shortlisted, would it be possible to attend the interview online? Second, could you please let me know the expected joining date for the selected candidate?

Thank you for your time and consideration. I look forward to your response and hope to have the opportunity to contribute to your team.

Kind regards,
